ANALYST COVERAGE

Sid Rajeev | Fundamental Research Corp

Argo Gold is a unique junior resource company providing diversified exposure to **Gold, Silver, Zinc, Oil** and **Uranium**. Argo Gold's steady **cash-flow from oil production** provides for **mineral project funding** and G&A while minimizing shareholder dilution.

INVESTMENT HIGHLIGHTS

DIVERSIFICATION

Rare multi-commodity exposure across four high-demand sectors:

Gold: Silver: Heavy Oil: Uranium:

SELF-FUNDED GROWTH

2025 net operating cash flow from oil operations was ~ CAD $1M providing project funding and G&A without dilution.

PRIME LOCATIONS

Argo Gold's mineral projects are located in "Tier 1" jurisdictions in Ontario, Alberta and Saskatchewan.

STRONG BACKING

Renowned mining investor Eric Sprott is the largest shareholder, holding ~ 19% interest.
