ANALYST COVERAGE

Sid Rajeev | Fundamental Research Corp

Argo Gold is a unique junior resource company providing diversified exposure to **Gold, Silver, Oil** and **Uranium**. By combining steady **cash-flow** from oil production with **high-upside mineral exploration,** Argo offers a self-sustaining model designed to minimize **shareholder dilution**.

INVESTMENT HIGHLIGHTS

UNIQUE DIVERSIFICATION

Rare multi-commodity exposure across four high-demand sectors:
Gold: Silver: Heavy Oil: Uranium:

SELF-FUNDED GROWTH

2025 net operating cash flow from oil operations exceeded $1M CAD, providing exploration funding and G&A without dilution.

PRIME LOCATIONS

Projects are situated in ”Tier 1” jurisdictions Ontario, Saskatchewan, Alberta and proximal to major industry producers.

STRONG BACKING

Renowned mining investor Eric Sprott is the largest shareholder, holding ~ 19% interest.
